**Hong Kong SAR, China, 26 March 2024** – InterContinental Grand Stanford Hong Kong is pleased to announce the official re-opening of its Italian restaurant, The Mistral, now on the first floor of the hotel. Guests are invited to unearth this hidden gem that radiates purest flavours, combining Italian authenticity, sensory pleasure on the views of the Victoria Harbour-scape and blissful ambience.

Endorsed by the serene beauty of Victoria Harbour, The Mistral is a culinary haven that embodies authenticity in Italian elegance. An opulent selection of Italian wines and an unparalleled collection of Grappa and Amaro elevate the gastronomic journey.

"Bringing the true essence of Italian cuisine to Hong Kong is our passion at The Mistral, complemented by the vistas of the glittering harbour," said Lars Ruecker, Director of Food & Beverage at InterContinental Grand Stanford Hong Kong, "By introducing Chef Fabio's handmade pastas to the table, we bring the Italian heritage with the passed-down skill sets to live. "

With the incorporation of locally-sourced produce into its menu, The Mistral creates a unique culinary experience that celebrates the vibrant flavours of Italy while embracing the spirit of sustainability. Each dish is a labour of love, meticulously prepared to showcase the natural beauty and versatility of the ingredients.
